

Make beautiful **Sun Catchers** using a plastic lid like from a Pringles can, sequins and lots of white glue. This project is very easy, but takes several days to dry. Hang them up for sun catchers, make a mobile, or use them for beverage coasters.

Materials:

- Pringles Plastic Lids
- Sequins or Dazzles or Sparkly things
- Gel Glue or White Glue

Directions:

1. Fill the Pringles lid with white glue.
2. Cover with colorful sequins or dazzles. Allow to dry for several days.
3. Peel out from the lid. Cut into shapes or use as is.
